

CITY OF SAND SPRINGS

RURAL FIRE SUBSCRIPTION PROGRAM

DECLARATION OF NON-PARTICIPATION FOR UTILITY CUSTOMERS RESIDING OUTSIDE THE CITY LIMITS

As a Sand Springs utility customer who owns or is otherwise in control of property located outside the city limits of Sand Springs but within the Sand Springs Fire Department's service area, you are eligible to participate in a \$5.00 monthly Rural Fire Subscription program. This program is in addition to the Emergency Medical Services Program established by the City of Sand Springs for provision of ambulance and first responder services.

The Rural Fire Subscription program allows you, as the person who owns or is otherwise in control of the property (subsequently referred to as "property owner") and who is responsible for payment of utilities, to make a determination whether or not your property will participate in the program. Participating properties pay no out-of-pocket costs for structure, vehicle, vegetation or other type fire calls where the Sand Springs Fire Department is the responding agency. The Sand Springs Fire Department collects available insurance dollars but does not bill participating property owners for deductibles, co-payments and other costs associated with firefighting services. This means that you will not pay should a fire occur on your property.

If you want to participate, you do not need to do anything. You will be automatically included in the program and receive Rural Fire Subscription benefits for a \$5.00 monthly charge on your Sand Springs utility bill.

If you do not want to participate, you must fill out the form on the reverse side and return it no later than June 30. Please note that the form must be completed in its entirety. Name, address, phone number and utility account number must match corresponding information on your City of Sand Springs utility account. Forms should be returned to:

**Sand Springs Fire Department
RFS Opt Out Application
PO Box 338
Sand Springs OK 74063-0338**

By submitting a Declaration of Non-Participation, you will not be eligible for Rural Fire Subscription benefits offered by the Sand Springs Fire Department unless you choose to participate in a future enrollment period, which would be open annually between June 1 and June 30.
