

# City of Sand Springs Automatic Bank Draft Payment Authorization

### What is Automatic Bank Drafting?

Automatic Bank Drafting allows you to pay your bills automatically by having payments withdrawn directly from your checking or savings account.

- \* You save time by not having to write checks for your bills.
- \* You save money on postage and bill paying supplies.
- \* You no longer have to worry about your payments being lost or about not being able to pay your bills while you are out of town.

### Enrollment is easy!

Simply complete the authorization form (see below) and mail it in along with a voided check to ensure accurate processing.

### How Automatic Bank Draft Works

You will still see your bills before they are paid. The City will send you a statement by mail before your bill is due. You will know the exact amount and the exact date your payment will be deducted from your account.

If you have questions regarding your bill, you will have ample time to call the City and resolve your concerns.
