

ATTENTION BUILDERS AND CONTRACTORS

Effective July 1, 2022

The following International Code series and National Electrical Code as adopted and amended by the Oklahoma Uniform Building Codes Commission will go into effect for City of Sand Springs construction activities or trade work beginning on or after July 1, 2022. There are no new local amendments to the code changes.

The following codes changes are affected:

Adopted Year:	Adopted: Code:	Ordinance Reference:
2018	Int'l Building Code (IBC)	15.08.010
2018	Int'l Existing Building Code (IEBC)	15.08.020
2018	Int'l Plumbing Code (IPC)	15.12.040
2017	Nat'l Electrical Code (NEC/NFPA-70)	15.16.020
2018	Int'l Mechanical Code (IMC)	15.20.010
2018	Int'l Fuel Gas Code (IFGC)	15.28.010
2018	Int'l Fire Code (IFC)	8.12.010

NOTE: The 2015 International Residential Code (IRC) will remain in effect until adoptions and amendments are finalized by OUBCC. An effective date for its change locally will be announced later.

To reference the latest code adoptions and amendments by OUBCC, visit their website at: www.ok.gov/oubcc/

For local code change questions, contact the Neighborhood Services Department at 918-246-2572 or neighborhoodservices@sandspringsok.org.
